 Finance Planning Wealth Management

Finance Planning Wealth Management is an appointed representative of TenetConnect Ltd, who are authorised and regulated by the Financial Conduct Authority. Tenet provide regulatory, technical, training and business development support to help us meet the stringent and comprehensive requirements of the Financial Conduct Authority (the body that aims to make sure that financial markets work well so consumers get a fair deal). Our experience, qualifications and total commitment to customer care, coupled with Tenet's support, ensures our clients receive the very best advice tailored to their individual circumstances.

Who are Tenet?

Formed over 25 years ago, Tenet has a nationwide network of highly qualified financial advisers and mortgage brokers. As a member of Tenet we receive ongoing training and guidance to ensure the advice we give is both fair and suitable for our clients' needs, taking account of market developments, product launches, and the requirements of our regulator, the Financial Conduct Authority.

So, if you're looking for quality financial advice that enables you to sleep at night knowing you have a financial plan in place, you have come to the right place.

Tenet key facts
